

## **RESOLUTION NO. 1986-20**

WHEREAS, the Jefferson County Solid Waste Management Plan has been prepared in accordance with the Wisconsin Administrative Code and the Federal Resource Conservation and Recovery Act under the direction of the Jefferson County Solid Waste Committee, and

WHEREAS, the Jefferson County Solid Waste Committee has determined that such a plan is necessary in order to establish and maintain an effective, efficient, economically feasible, and environmentally acceptable solid waste management system for Jefferson County,

NOW THEREFORE BE IT RESOLVED that the Jefferson County Board of Supervisors adopts the Jefferson County Solid Waste Management Plan, as submitted by the Solid Waste Committee, and intends to implement the plan within the constraints of the County Budget.

BE IT FURTHER RESOLVED that Jefferson County encourages the upgrading of all solid waste management functions into compliance with federal, state, and local solid waste management regulations.

BE IT FURTHER RESOLVED that Jefferson County encourages low technology resource recovery, recycling, and waste reduction, especially through educational programs.
